

Become a Master Gardener Volunteer!

Would you like your gardening efforts to be more successful? Do you want to learn about the science of gardening? Are you interested in sharing your knowledge with others? If so, you should become a Master Gardener Volunteer!

Master Gardener Volunteers are people just like you who have an interest in gardening and wish to share their knowledge with others through volunteering with Cooperative Extension's horticulture education program.

Training for the Rockingham and Caswell Counties Master Gardener Volunteer Program begins January 2010! If you have any questions please contact Kathryn Holmes, Rockingham and Caswell Counties Cooperative Extension Horticulture Agent, at (336) 342-8230 or by email at Kathryn_holmes@ncsu.edu.
