Dear 4-Hers and Helper,
This Project Record form is designed to help a young child record and recognize their accomplishments. Any help that a child receives from a parent, volunteer, or any other adult is a very positive addition to the project and the project record form as long as the child is encouraged to do as much as possible themselves. If needed, the writing can be dictated to the helper. If more space is needed, add extra sheets of paper. Good Luck!

Things I learned and did in my project:

(examples)

Foods Project – Learned to measure dry ingredients

Outdoors Project – Went on a nature hike and saw two snakes
